Firm seeks nominations

EDINBURGH residents are being urged to back a contest to find Scotland's public structures most deserving of a makeover.

Galvanizing company, Highland Galvanizers & Colour Coaters, has invited people from all of Scotland's 32 local authorities, to nominate public structures they would like to see brightened up, free of charge.

The contest will provide councils with the opportunity to see a public structure they may not have otherwise had the resources to maintain given some much-needed work.
