

OLD MARKET HEREFORD

The Old Market Hereford is a new £90m shopping, dining and entertaining centre situated on the site of the towns former livestock market. The project has attracted many top retailers and has created over 1000 jobs in the local community.

To celebrate the areas agricultural and cultural heritage a series of signs have been erected around the centre. The Colourgalv signs, featuring images of livestock and a local poem, were finished in 'Brun' – a textured metallic coating that gives the steelwork a dark bronze appearance.
